The theme for the 2011 Conference seeks to address the adaptive changes needed within presbytery structures today when resources for pastoral care of clergy are diminishing and yet the need for pastoral excellence is increasingly being desired. To read more about each of the presenters, visit www.pastoralcarenetwork.org.

HOW DO I GET THERE?

The PPCN Conference will be held at the Marriott Place Hotel Complex in downtown Indianapolis, IN. Indianapolis is easily accessible by road, air, or rail. Parking is available at both hotels (\$28/day) or at more economical lots nearby. The IndyGo city bus system offers Green Line Express service from the airport to the hotels from 5:00 am to 9:00 pm for \$7 per trip. For more information check the PCUSA website at www.pcusa.org/big_tent or go to www.indygo.net.

WHERE DO I STAY?

The Marriott Place Hotel Complex consists of two hotels: J.W. Marriott Hotel (\$99/night) and Marriott Downtown Hotel (\$97/night), plus tax (16%). To make reservations at these discounted rates, visit www.pcusa.org/bigtent.

In an attempt to keep the cost of the PPCN Conference affordable, catered meals will not be provided as part of the conference. Information on nearby restaurants will be available at the registration table when you arrive and also posted on www.pastoralcarenetwork.org.

HOW DO I REGISTER?

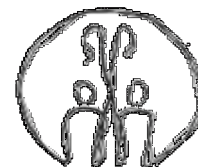

The PPCN conference precedes the PCUSA Big Tent Event and is held in the same location. Registration forms for both conferences are posted on www.pcusa.org/bigtent. WHAT IS PPCN?

The PPCN is composed of individuals and groups who are working in presbyteries, synods, and General Assembly structures of the PC(USA) to provide care and support for ministers and other church professionals. Our network goal is to help ministry professionals and volunteers throughout the Church to develop relationships and share resources that:

- ◆ Advocate for the pastoral care of ministers within the PC(USA) and that promotes healthy ministries;
- ◆ Offer mutual support for those engaged in caring for ministers;
- ◆ Establish "best practices" for the local care and support of church professionals;
- ◆ Encourage research and study in the area of clergy self-care and wellness;
- ◆ Model appropriate accountability in the exercise of pastoral care for ministers.

WHO SHOULD ATTEND?

Annual conferences are designed to help presbytery leaders (staff, committees, volunteers) learn about the essential best ministry practices at the presbytery level that promote clergy wellness in a pro-active way rather than simply responding to crises situations dealing with ministers, especially at a time when many changes are occurring within the PCUSA.
